

Lead Detailer

About the role

If you're an experienced and skilled reinforcing detailer with a clearly demonstrated career path and a natural affinity to leadership and mentorship, we've got the role for you!

You will be;

- Working closely with the Contracts Manager and Production Manager to co-ordinate job completion
- Maintaining solid relationships with clients and internal stakeholders
- Attending regular site meetings
- Promote the company standards across the team and assist in training / skills assessment
- Ensuring the DIFOTIS measure is no less than 98%
- Be aware of the different building contracts and codes in use

Skills and experience

You will need to have;

- Fantastic proficiency and skills in reinforcing detailing
- Great attitude to Management and a willingness to share your skills with the team
- Excellent computer skills and proficiency with Microsoft Office Suite
- Excellent communication skills - written and verbal
- Outstanding customer service skills
- Have sound knowledge of workflow management
- Be proactive and responsive when dealing with Management and Clients
- Ability to prioritise and be proactive in a fast paced environment
- A tertiary qualification of relatable value would be advantageous

What you can expect

A competitive salary package based on skills and experience. This is a great opportunity for someone looking to build on their career with a very rewarding company who like to up-skill and promote within their business.
