

# Site Manager

## About the role

Working across all facets of construction, from residential to commercial and with a pipe-line already chock-a-block with forward work for at least the next 7 years, our client is seriously in need of some help. Their close-knit team is under the pump and now is the time to talk to them about joining!

You will be;

- Running onsite meetings and inductions
- Co-ordinating subcontractors, suppliers and all other service providers
- Take charge of on-site H&S training and implementation
- Leading and building your team and tradespeople

## **Skills and experience**

- Minimum 5 years building experience (preferably on-tools)
- Previous industry Site Management experience in Commercial construction
- Excellent communication skills - written and verbal
- Outstanding customer service skills
- Have a sound understanding and detailed knowledge of the plans, building methodologies, materials and consent requirements
- Have strong relationship development skills within your team and through the management team

### **What you can expect**

\$120,000 - \$150,000 depending on experience. 45 hours a week with some flexibility around working hours if required, but ideally 7.30am - 5pm. This is a great opportunity for someone looking to build on their career with a very rewarding company who like to up-skill and promote within their business.

To apply - send your CV to **admin@easystreetrecruitment.co.nz** or for more information, call 0800 WALK - TALK  
(9255 - 8255)
